

# **CORPORATE CULTURE: CULTURAL DIFFERENCES AT WORK**

## **Compare cultural differences at work between France, UK & US**

### **1. In groups, research the differences for these specific themes :**

#### **GROUP 1: Max, Maxime & Vincent**

- Work meetings (and maybe Negotiation too)
- Definition of success
- Greetings at work

#### **GROUP 2: Anthony I., Anthony L. & Noam**

- Conflict management (arguments at work)
- Coffee culture & coffee breaks
- Feedbacks at work (positive & negative)

#### **GROUP 3: Axelle, Junior & Margot**

- Dress-code for work
- Lunchbreaks
- Vacation / holidays

#### **GROUP 4: Rémia, Valentin & Cyril**

- Working hours
- Small talk at work (gossip/discussion subjects)
- Afterwork / coworkers relationships

### **2. Prepare a short presentation of your findings :**

- a) Build a short Powerpoint presentation (4-5 slides is enough) comparing the 3 countries on your given subjects of research.
- b) Give the class a 5mn oral presentation about your findings.  
Make sure you share the speaking time equally between group members.
